A Lucky Day

6C Chen Pak Yu Jason

This morning, Jason woke up late. When the alarm rang, he was still sleeping. He knew that he overslept. He was nervous and worried. "I'm late!" He screamed.

He woke up immediately. He brushed his teeth and put on his school uniform very quickly. He packed his school bag. He got a slice of bread, but he had no time to have breakfast. So he took his bread to school.

He wanted to go to school by taxi because he did not want to be late. He was very afraid that his teacher would scold him. Suddenly, when Jason opened the door, a fairy appeared. He was surprised. He was curious and he asked the fairy, "Who are you?"

The fairy gave Jason a wand. The fairy said, "This wand can help you. However, if you are late again, I will not help you." The fairy made some clouds with magic and she sent him to school. He felt very happy because he was not late. He learnt that he had to sleep early.
